

The California College Guidance Initiative (CCGI) is a state-wide, equity-focused, non-profit that manages the state of California's college and career planning platform, CaliforniaColleges.edu. The web-based platform offers students, families, and educators a unified platform for facilitating and tracking students' college and career preparation, application and transition.

Before partnering with CCGI, San Luis Coastal offered the Naviance Program for our counselors, students and families who were planning next steps for college and career. While we appreciated many aspects of Naviance, CCGI is a unified platform that we believe, along with other county school districts, will offer our students and families the most streamlined and effective way of planning for college and career.

San Luis Coastal Unified School District (SLCUSD) is a CCGI partner district, which gives your student access to valuable tools and resources to support his/her college and career planning **that is only provided when transcript data is uploaded from the district's Student Information System (SIS) into CaliforniaColleges.edu in accordance with all state and federal student privacy laws.** Through this partnership, your student can:

- Regularly use the CSU and UC Eligibility tools to view progress towards meeting the "a-g" course requirements, including those courses that do not meet the requirements, and quickly communicate with his/her counselor with questions.
- Apply to any CSU campus and his/her pre-verified courses automatically migrate to CalState.edu/Apply, reducing time spent on the application by approximately 50% and also reducing confusion and errors caused by discrepancies between local course listings on transcripts, and the course listings in the Course Management Portal (CMP).
- Launch the CCCApply application to CA community colleges.
- Launch FAFSA.

Parents/guardians can also create accounts to gain view-only access to students' progress.

Should you wish to opt-out from the District's disclosure of your Student Information, please complete the form below and return it to your child's school counselor.

I, _____ (Insert name of parent or student if over 18 years of age), hereby opt-out of SLCUSD's disclosure of _____ (Insert student name)'s education records to third party service providers under contract with the District:
